The primary objectives of this shift included:

- Ensuring fair and transparent seat allocation
- Optimizing the use of available engineering seats across the state
- Reducing the influence of capitation and donation-based admissions
- Simplifying the application and counseling procedures for students

Legal and Administrative Framework

The 2013 counseling was governed by the Gujarat Professional Technical Courses (Gujarat Admission to B.E./B.Tech) Rules, 2012, which mandated a centralized online process managed by ACPC. The process was designed to be inclusive, accommodating students from diverse educational backgrounds, including those from reserved categories.

Registration and Application Process

Eligibility Criteria

Candidates aspiring for engineering seats through the 2013 counseling had to meet specific requirements:

- Completion of 12th standard or equivalent with Physics, Chemistry, and Mathematics as core subjects

The algorithm prioritized merit and preferences, aiming to maximize seat utilization and student satisfaction.

Reporting and Admission Confirmation

Post-allocation, students had to:

- Report to the allotted institute within specified timelines
- Submit original documents for verification
- Pay the admission fee to confirm their seats

Failure to comply resulted in seat cancellation and the possibility of participating in subsequent rounds or spot counseling.
